Admin panel

Administrators can get access to the system on a web browser by going to

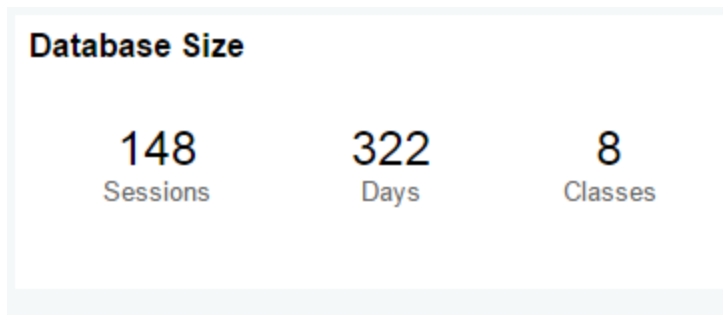

http://evaluate.ed2.mobi/Desktop_admin.php

Administrators then keys in the previously-acquired id and password to log into the system.

This panel mainly divided into 4 parts: Database Size, Filter, Shortlist and Preview.

Database Size

This part is showing how many sessions is being evaluated with how many day, together with the number of classes.

Filter

The Filter interface consists of three main sections: Dates, Sessions, and Classes. Each section has a 'No filter' status and a 'Change' button. A 'CLEAR all filter' button is located in the top right corner.

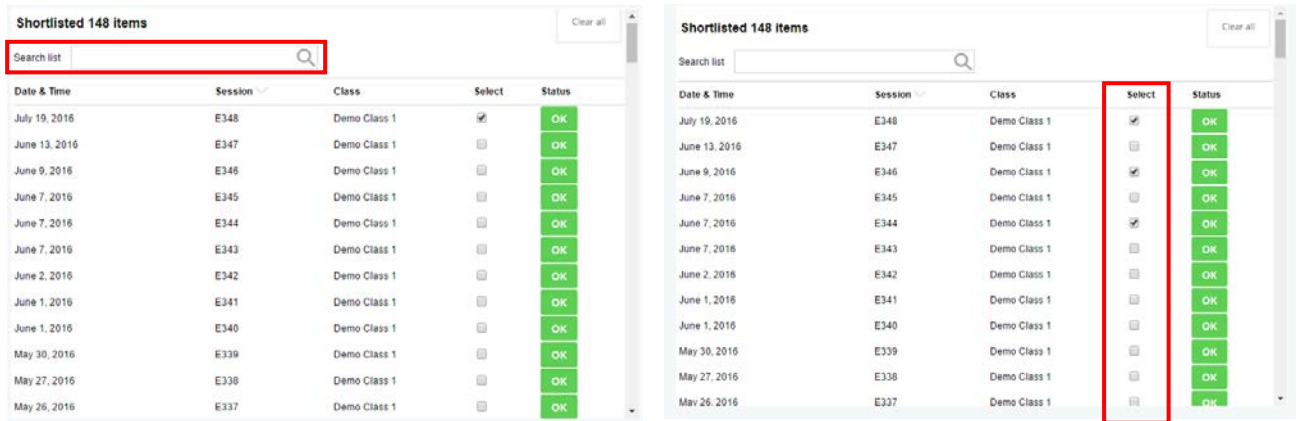

Session range dialog: Shows a 'From' field with 'E158' and a 'To' dropdown menu with a list of session IDs (E148 to E336). An 'OK' button is at the bottom right.

Dates dialog: Shows 'From' as '6.7.2016' and 'To' as '18.7.2016'. A 'DateTime Picker' calendar is open, showing July 2016 with the 17th and 18th highlighted. 'Clear' and 'OK' buttons are at the bottom right.

Classes dialog: Shows two class selection options: 'Class 1, Demo' (checked) and 'Class 2, Demo'. 'Clear' and 'OK' buttons are at the bottom right.

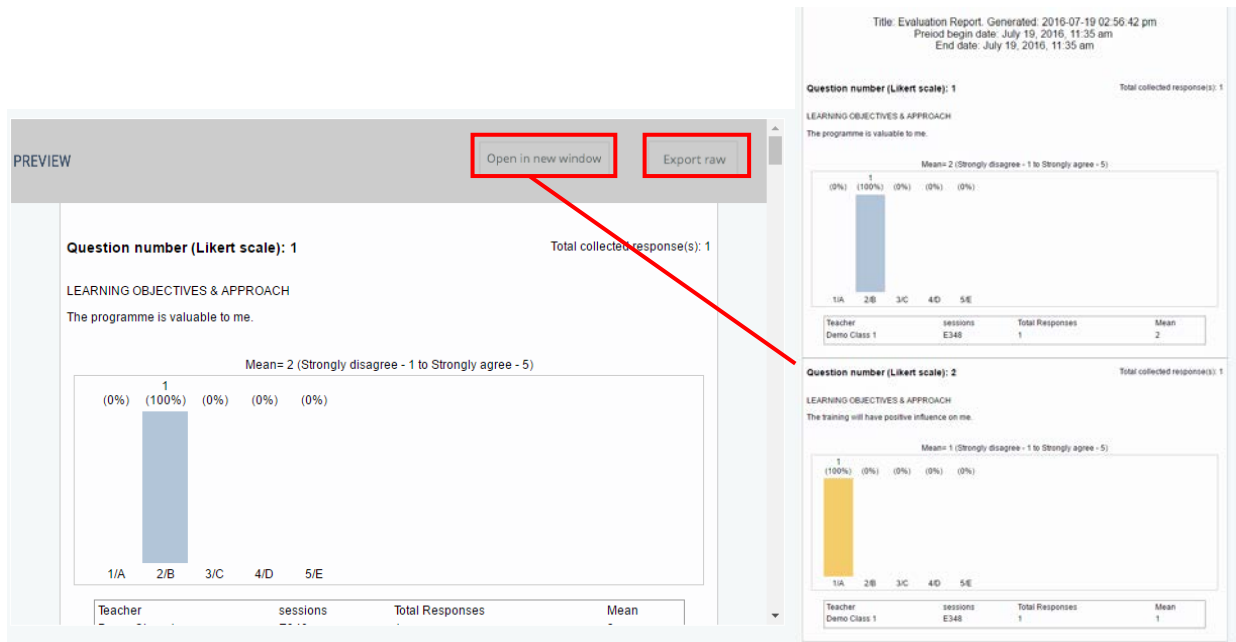

Dates, Sessions and Classes are 3 filters for administrators to view specific group of session.

Shortlist

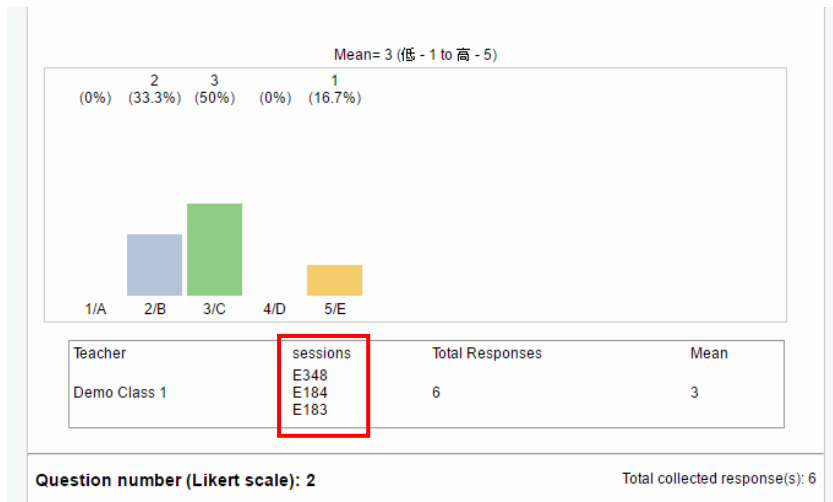

Administrators can view all the sessions on this part, they can type in any keyword for searching, or select more than one session.

Preview

Once administrators select a session, the data will be shown on preview. They can choose open preview in new window or export a csv file.

If they select more than one session, the data will be merged and show together.
